Intimidation Robbery on Brookville Road

Teenager's cash stolen by group of 4 young men; County Police investigating

Last Thursday (October 8) evening after 10:00 p.m., two teenaged boys (not Village residents) were walking on the Brookville Road sidewalk near East Irving Street when they were confronted by four unknown young males. The four suspects approached the pair menacingly and demanded money. Although no weapon was displayed, the four suspects intentionally intimidated the teenagers.

One of the teens ran from the scene, but the one who remained relinquished cash to the robbers. No one was injured. The victim returned to his home outside the Village and reported the crime to the Montgomery County Police. County police are investigating.

Village residents are urged to remain vigilant when walking at nighttime.
